data courage®

Reporting

Get all the operational data you need, in the format that works for you. Any report – exactly the way you want it, no matter where you are. From advanced business reports to sophisticated financial statements, there is no exporting, no copying and pasting, and no programming, ever.
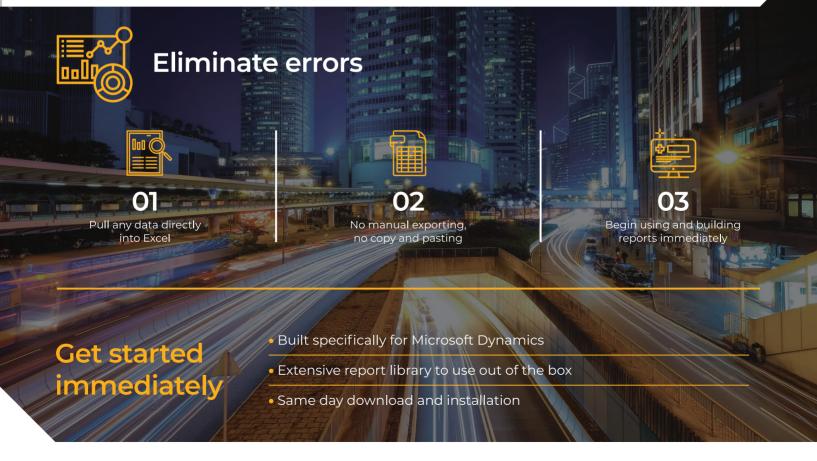

Flexible Financial and Business Reporting Inside of Excel and on the Web.

Eliminate errors

01
Pull any data directly into Excel

02
No manual exporting, no copy and pasting

03
Begin using and building reports immediately

Get started immediately

- Built specifically for Microsoft Dynamics
- Extensive report library to use out of the box
- Same day download and installation

01
Always have the answers

Drill-down on the numbers directly from Excel

Access and run reports from anywhere on the web

02
Report portability forever

Reports seamlessly update with ERP upgrades.

Automatically move from one version of Dynamics to the next

03
Cut reporting time and costs

No hard-coding or programming skills required.
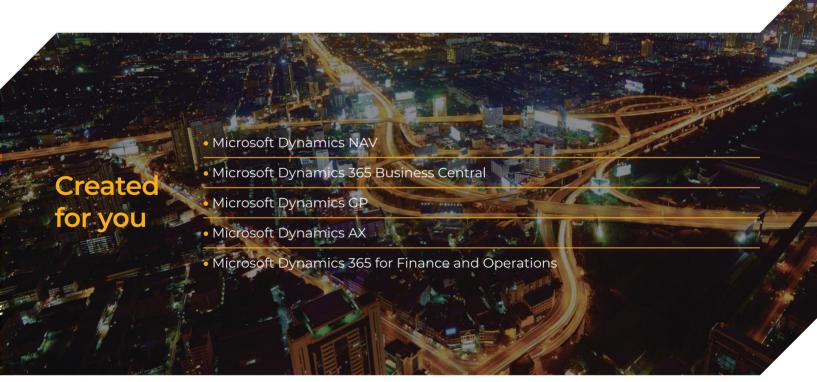

Reports seamlessly update with ERP upgrades.

04
Never second guess the numbers again

Complete collaboration and publishing platform.

Feel confident it's the right data and workbook.

Created for you

- Microsoft Dynamics NAV
- Microsoft Dynamics 365 Business Central
- Microsoft Dynamics GP
- Microsoft Dynamics AX
- Microsoft Dynamics 365 for Finance and Operations

We complete reporting in about a quarter of the time.
